

RESOLUTION TO EXPEL JACK WILKINSON FOR FALSE TESTIMONY AND IRREPARABLE HARM TO MARIN GOP AND MARIN COUNTY REPUBLICANS

WHEREAS Jack Wilkinson failed to surrender MCRCC records within two weeks after a written demand; and

WHEREAS Jack Wilkinson failed to produce an audit or financial review of committee finances for the 2023-2024 term; and

WHEREAS Jack Wilkinson appointed the Nominating Committee for the 2025-2026 Marin GOP officers, with Walter Jensen as Chair, who submitted a complete report on January 12, 2024; and

WHEREAS Wilkinson acknowledged the report, set the January 30, 2025, Organizational Meeting agenda, and no objections were raised regarding the short notice period; and

WHEREAS Wilkinson called the meeting to order but attempted to impose unauthorized rules, including a video recording ban, then abruptly adjourned the meeting despite pending business and a set time for adjournment; and

WHEREAS members elected new officers and completed the agenda following his departure; and

WHEREAS Wilkinson later reported his unilateral and unfounded adjournment to CRP Chair of the Chairman’s Association John Dennis, leading to an investigation by the California Republican Party (CRP) Proxies & Credentials Committee (P&CC); and

(*)

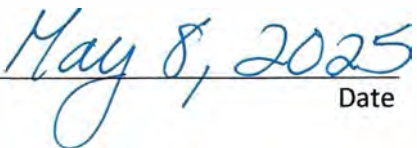

WHEREAS Wilkinson falsely testified at the 2/20/2025 P&CC hearing, alleging safety concerns and characterizing the meeting as a "riot" and attendees as a “mob,” despite video and witness accounts disproving his claims, thereby defaming members and guests; and

WHEREAS his false testimony led the CRP to disregard the results of our 1/30/2025, thereby disenfranchising committee members and Marin County Republicans as well as causing the permanent loss of Marin GOP delegate positions and appointments to the CRP; and

WHEREAS Wilkinson’s actions caused political and financial harm to Marin County Republicans and the Marin GOP with a selfish and deliberate effort to sabotage the committee; and

THEREFORE, BE IT RESOLVED that the committee voted unanimously to expel Jack Wilkinson from the committee at their April 29, 2025, regular meeting.
